## PRE-ENROLLMENT 2008-2009 *All NEW STUDENTS*

Excalibur Charter School District must know if your child/children will be attending school in one of our schools for the 2006-2007 school year. If you have a kindergarten student or a new student to this school district grades K – 12, please indicate it on this form. We will have limited space for next fall so this information is very important – it will reserve a spot for your child/children in the fall without having to be placed on the waiting list. Please call or stop by the office if you have questions.

To register New Children and New Kindergarten Full Day Kindergarten students must be 5 years old by September 1, 2008. Have an up-to-date shot record for your child. Have a legal Birth Certificate for your child.
